Each vendor shall comply with the following rules and regulations, in addition to complying with any and all statutes and ordinances of the State of Kansas, County of Neosho and City of Chanute pertinent to the Vendor's participation in the Festival, including but not limited to, statues and ordinances affecting gambling, health and sanitation, building and electrical construction and maintenances, and safety.

Main Street Chanute, Inc. and the Artist Alley Committee shall have the right to interpret the following Rules and Regulations at its discretion as it deems appropriate and to enforce compliance with such Rules and Regulations.

Any violation of these rules and regulations or of any statute or ordinance shall result in immediate forfeiture of all rights and participation in the Festival and any monies deposited to secure participation in the Festival.

The Artist Alley committee will attempt not to place similar booths in close proximity. The committee reserves the right to limit the number of games or products to create a good balance for the festival.

1. **CANCELLATION AND REFUNDS:** In order to claim a refund, cancellation must be made in writing at least thirty days prior to the opening date of the Festival.
2. **DEFINITION OF BOOTH SPACE:** The booth spaces are marked off and numbered in the downtown Chanute area. You must keep your booth within the confines of the space purchased: this includes tie-downs. (No exceptions). Booth spaces measure 10' x 10', except for food trailers. Do not let your booth extend any further than 10' from the curb of the street---this allows a fire lane in case of emergencies and room for the Parade. Your booth will be removed if it extends further. Under no circumstances can you sell your booth space to another exhibitor or permit other parties to exhibit other merchandise other than what is stated on your application. Any sales and/or solicitations must be kept within the confines of your booth space. All booths must be staffed and in operation for scheduled hours. The Artist Alley committee reserves the right to remove a booth from the festival area should the booth be constructed in an unsafe manner.

These certificates must be prominently displayed in your booth during the entire festival. There will be no parking or blocking the alleyways between the streets.
